

Occupational Medicine – Part Time

Seeking an Occupational Medicine Physician, Part Time

Opportunity: We seek a board-certified physician in an appropriate specialty (Occupational Medicine, Family Medicine, Emergency Medicine or Internal Medicine) to work part time (16 hours per week) in our Occupational Medicine Program in Monroe, Michigan. This is a hospital-employed position offering a competitive base salary with incentives. No call requirements; flexible scheduling with one primary day on Monday. Physician will need to become MRO and DOT certified (training provided). Practice does usual services including pre-employment, work injuries and back to work including lacerations, Slit Lamp, glass splints and joint injections. There is one other Occupational Medicine physician full time in the program, which services the city of Monroe with a population of 80,000 and surrounding areas. This position provides full service Occupational Medicine at the hospital's Corporate Connection including wellness, work safety, physical rehabilitation, Employee Assistance Program (EAP) and employee health. There may be more than 30 patients per day with 50/50 workers' comp and new employee services. We have over 250 companies with contracts at various levels. Position has use of hospitalists at Mercy Memorial for inpatient work along with Quality Specialists and support for all necessary referrals (focus on Ortho and Rehab). Lab and X-ray are available on site.

Hospital (www.mercymemorial.org)

2011 Detroit Free Press Top 100 Workplaces Award Recipient

Founded in 1929, Mercy Memorial Hospital is a 238-bed progressive community hospital serving all of Monroe County (160,000 population) in 20 sites. With a medical staff of more than 300 professionals, Mercy Memorial offers a wide range of services, including a birthing center, dialysis treatment, inpatient/outpatient mental health services, digital imaging with CT, MRI, PET/CT, cardiac care, home health and hospice care, physical/occupational therapy and outpatient surgery. In 2011, emergency visits exceeded 46,000; admissions 9,600, surgeries 15,400, outpatient visits 176,000 and 750 deliveries. We offer great Hospitalist and Intensivist services. Hospital and clinical practices EHR is underway. New 10,000 sq.ft. Monroe Cancer Center opened in June 2011 with ProMedica of Ohio and nationally-renowned Karmanos Cancer Center of Detroit providing top-ranked medical and radiation oncology services at one location. New Cath Lab/IR Lab starting in 2012 and establishing new allopathic Family Medicine Residency in mid-2013.

Community (www.monroeinfo.com)

Mercy Memorial Hospital is located in the historic community of Monroe in Michigan's southeast corner on Lake Erie. It is rich in historical heritage with a small city feel while supported by a diverse economy mixing retail with agricultural and commercial business (it is home to the world headquarters of La-Z-Boy and Tenneco). With scenic parks, rivers and Lake Erie, Monroe provides its residents with the resources to achieve their full potential at home and at work with a quality lifestyle. And the major metropolitan attractions of Detroit, Toledo, and Ann Arbor are easy commuting distances away.
