

Seeking Emergency Medicine Physicians

Opportunities

In 2010 and 2011, we are seeking Emergency Physicians to add to our staff for continuing to cover growth for emergency patients. ER is rated a 10% nationally for patient satisfaction. Volumes run over 43,000 per year with 5% growth in 2009. This includes a Fast Track operation on site. All providers are EM trained and Boarded. Eight physicians and three NP's cover all shifts. Employment is with NES Healthcare Group which contracts with hospital (www.neshold.com). Competitive base salary with incentives and full standard benefits.

- 30 EM beds; staggered shifts covering 45 hours per day
- Use Hospitalists at Mercy Memorial for all inpatient needs
- Quality specialists in all usual modalities onsite for support
- New OR's built in 2009 with state-of-art equipment/staff
- Tertiary services available in nearby Toledo and Detroit

Hospital

(www.mercymemorial.org)

Mercy Memorial Hospital is a 238-bed, full-service community hospital with 14 ICU beds which is part of the Mercy Memorial Hospital System serving the population of Monroe County. It is the primary force in health care services for this region with a service population exceeding 160,000. With a medical staff of 252 professionals, Mercy Memorial offers a wide range of services, including a birthing center, dialysis treatment, inpatient/outpatient mental health services, CT and MRI, cancer care, cardiac care, home health and hospice care, physical/occupational therapy and outpatient surgery.. In 2009, Emergency visits exceeded 45,000; admissions 10,000; surgeries 14,000, outpatient visits 180,000 and 865 deliveries. Great Hospitalist and Intensivist services. Effective hospital EMR. A new 10,000 s.f. Monroe Cancer Center being built by 2011 with Promedica of Ohio and nationally-renowned Karmanos Cancer Center of Detroit providing top-ranked medical and radiation oncology services at one location.

Community

(www.monroeinfo.com)

Mercy Memorial Hospital is located in the historic and picturesque community of Monroe in Michigan's southeast corner, the gateway to Lake Erie. It is rich in historical heritage while supported by a diverse economy mixing retail with agricultural and commercial business. It is home to both world headquarters of La-Z-Boy and Tenneco. With scenic parks and Lake Erie close to home, and major metropolitan attractions in Detroit, Toledo, and Ann Arbor are a short drive away, Monroe provides its residents with the resources to achieve their full potential.
