

## Seeking a Psychiatrist – Part Time Employed or Contractual

### Position in Monroe, Michigan

Work at The Family Center in Monroe, Michigan for outpatient psychiatry services with Mercy Memorial Hospital System **two days per week**. Perform all aspects of psychiatric services in busy 3-physician and 12-therapist practice as part of Mercy's Mental Health Services program. Also, hospital has 3 fulltime physicians covering inpatient psych unit of 16+ beds – new physician could also provide inpatient coverage if desired on a limited basis. The Family Center handles all aspects of psych outpatient care for adults and children including anxiety, depression, bipolar, ADHD and pain. This is an employed position for two days per week paying about \$100-110 per hour with hospital benefits, or arrangements can be made for it to be contractual if desired. Flexible hours. This is a new position due to increased patient demand. About half of referrals come from local physicians and half from local mental health agencies/community organizations.

### Hospital

Mercy Memorial Hospital is a 238-bed, full-service community hospital which is part of the Mercy Memorial Health System that serves a population center of 160,000 people. With a medical staff that consists of approximately 230 professionals, Mercy Memorial is uniquely qualified to meet the health care needs of the region. Mercy Memorial offers a wide range of services, including a new birthing center, dialysis treatment, inpatient and outpatient mental health services, CT scans and MRI's, cancer care, cardiac care, home health and hospice care, physical and occupational therapy, outpatient surgery center, and other services not usually found at community hospitals. Last year ED visits exceeded 40,000, admissions over 10,000, outpatient visits were 177,000 and 901 deliveries.

### Community

Mercy Memorial Hospital is located in the historic and picturesque community of Monroe, Michigan. It is the primary force in health care services for this region with a local population of about 60,000 persons and a neighboring population base of approximately 100,000 for a total service population exceeding 160,000. With scenic parks and Lake Erie close to home, and major metropolitan attractions in Detroit, Toledo, and Ann Arbor a short drive away, Monroe provides its residents with the resources to achieve their full potential.
